The Walk for Warmth is a statewide effort to promote public awareness concerning people experiencing heat-related emergencies, such as utility shut-off notices during the cold months. This program allows GCCARD to advocate and raise funds on behalf of people in need throughout the year.

GCCARD sponsors many activities within the agency each year to raise funds for the Walk. All contributions raised in this effort stay here in our community to help Genesee County families and individuals in need.

Gather your friends, family, sorority, fraternity, schools, work, church members, etc. and form a walk team to complete the 2 mile walk for a good cause.

Registration is currently open now through: Saturday February 24, 2018 -7:30 a.m. - 8:30 a.m. the day of the walk; Registration forms will available on-site as well as being available on the Genesee County website located at: www.gccard.org
